

## **Seminar**

### **“A Tool to tap the inner skills”.**

In the existing competitive world, we ascertain that creativity plays a cardinal role in shaping the life of a student. It goes without saying that creativity is one of the most important human resources of all. We can't expect success and progress without creativity otherwise, we will be forever repeating the same pattern and stereotype learning in our scholastic area. Today with an advanced technology, everything is possible to discover something new and the student can easily access to the latest updates and datas. At this juncture I feel that conducting an orientation course for the students will ensure their learning skills more creatively and tap their inner traits more effectively.

Our school St. Paul's Academy, Dariyapur, Bhagalpur , organized a seminar for the senior students on 25<sup>th</sup> April 2022 at 9: a:m, conducted by a renowned Jesuit father Arul Das, the Principal of St. Ignatious High school, Dalkola, west Bengal. He highlighted the students, the imperative aspect of optimistic thinking and time management. He also reiterated success and creativity are inevitable in students life. On the whole, students drew more inspiration from the Seminar.

Our Secretary Dr. Basil Michael Quadros, St. Paul's Academy was also present here on that day to grace the occasion. His presence indeed enhanced more weightage to the programme. He felicitated the distinguished guest Fr. Arul Das S.J, and Fr. I. Lazar S.J, presenting a shawl and a beautiful bouquet to them. Students really enjoyed the seminar and learnt how to live life to the fullest.

## Seminar

**“Seminar on Orientation”**;- Our School Organised a Seminar, on orientation on 25<sup>th</sup> April 2022, at 9:00 a:m.The main aim of the seminar was to remove all types of peer pressure made by our peer groups. It is very important to know, what you really are?. What your ambitions are? And how to achieve your goal? So I learnt that Peer pressure is a feeling that one must do the same thing as other people of one’s age and social groups, in order to be liked or respected by them. This seminar is conducted by the specialist person Rev. Father Arul Das S.J, as the main speaker. I was more inclined to learn about Peer Pressure. He taught us not only how to remove Peer Pressure but also how the Peer Pressure enters into our mind. Then we also learnt about mobile addiction, advantages and disadvantages of it. We have infact learnt many lessions from this seminar. Rev.Fr. Arul Das S.J has enlightened and inspired us with his deep thoughts and reflections. This was the first experience for me and for all of us. we all really enjoyed the Seminar and looking forward to many more orientation courses like this one.

**Seminar  
The First Orientation Course  
In St. Paul's Academy  
Dariyapur**

On 23<sup>rd</sup> April 2022, when I came to know in the morning assembly that Seminar is going to be held in our School, I was really excited and began to look forward it eagerly. When the Seminar commenced on 25<sup>th</sup> on Monday at 9: 00 am, I was rather anxious and curious to know more about it. Our resource person Rev. Fr. Arul Das S.J came on time all the way from Dalkola, West Bengal, to conduct the Seminar for us. It was simply marvelous. Fr. Arul Das S.J inspired us and motivated us on the valuable points, how to handle the peer Pressure and to have optimistic thinking in our life. Father also made us realize the importance of time management which is very essential for us as students. Moreover Father brought home to us a solution to the current issue on mobile addiction which hampers our studies in everyday life. In two hours, I learnt many lessons from the Seminar. Father Arul Das S.J really enlightened us and left us thinking positively.

It was indeed an eye-opening experience for all of us. We express a sense of gratitude to Fr. Arul Das S.J and the School Management for arranging such a beautiful course.

Thanking you
