

St. Paul's Academy, Dariyapur, Bhagalpur.

Our Students of Std-X and XII have performed well in the 2024-25 Board Examinations. **Vaishnavi Kumari Singh** of Std-X became the school topper with 91.6% marks and **Laban Kumar** with 70.4% was the school topper in Std- XII.

After getting 100% pass result in Std-X, most of our students have shown their interest in taking admission in this school itself for their +2 level studies. This shows the confidence of our students in their teachers as well as the educational environment of the school. It is also because of the very helpful and positive attitude of the School Management towards shaping the future of the students in this school.
